

Educational Opportunities

Support

Medical education plays an important role in the quality of healthcare delivered across the globe. Physicians, researchers, scientists and other healthcare professionals are increasingly challenged to maintain their knowledge, skills and abilities within their respective professions. By providing an educational grant in support of the educational opportunities below, you will make a vital contribution to these efforts and support better patient outcomes.

All educational grants are managed in compliance with relevant CME accreditation criteria and industry compliance codes. In order to ensure independence of all CME accredited elements, companies providing grants may not influence the topic, speaker selection, or any other aspect of the content or presentation. No promotional, commercial, or advertising materials may be included in the following opportunities. All support will be disclosed to participants.

All grants are managed in compliance with relevant accreditation and industry compliance criteria.

Independent educational grants, dedicated to the educational mission of the Congress, are appreciated and important to the Congress' success.

- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

Educational Grant in support of an Existing Official Session accepted or invited by the Scientific Committee and supported by a grant from the industry.

- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

As a trusted partner, Kenes Group will take on the responsibility for indirect sponsorship for WHAHC 2023. The industry will entrust the Kenes Group and provide educational grants directly, and Kenes Group/WHAHC 2023 will be responsible for participants (HCPs) pre-selection.

Educational Participation Grants of any amount are appreciated and important to the success of WHAHC 2023.

Recipients (HCPs) will need to fulfil the criteria specified by WHAHC 2023 in order to be eligible to apply for an educational participation grant. Accepted grant recipients will be contacted by the WHAHC 2023 Secretariat.

- Support will be acknowledged in the Industry Support and Exhibition section of the program guide, on the event website and application, and with signage during the event.

By providing an educational grant towards an online educational portal, you are making a vital contribution to the efforts of WHAHC23/HaH Community Portal to improve the quality of healthcare delivered across the globe. This educational grant will be used for development of an online learning portal and will support the mission to improve awareness, treatment, education, and understanding of care for patients.

- Support will be disclosed in the Industry Support section of the Congress website and Program Guide.

Support will be disclosed in the Industry Support section of the online learning portal, and on the footer of the online learning portal. The WHAHC23 App engages attendees with

personalized planning tools and real-time event updates. The App transforms smartphones, tablets, and laptops into tools for active meeting participation and makes it easy for participants to access meeting information to connect with speakers and colleagues. The App includes the scientific program, abstracts, speaker information, participant lists, the rating/voting system for sessions and speakers, and a personalized scheduler. The App can be downloaded from the Apple App Store and Google Play.

Congress App sponsorship support includes:

- Supporter acknowledgement on the splash/pop-up screen of the App: "Supported by: company name/logo" (product logo not permitted).
- 2 "push notifications".
- Support will be acknowledged in the Industry Support and Exhibition section, on the event website and mobile application.

Please note that it is the Exhibitors'/ Supporters' responsibility to comply with the local authority's regulations, EFPIA (European Federation of Pharmaceuticals Industries & Associations) www.efpia.org, Medtech Europe (represents Medical Technology industry) <http://www.medtecheurope.org/> and IFPMA (International Federation of Pharmaceutical Manufacturers & Associations) www.ifpma.org Code of Practice on the promotion of medicines. Failure to comply with these regulations may not be used as a ground to declare the contract void. Failure to comply with the rules and regulations will not expose the Organizer to any suits, demands by the Exhibitor/Supporter or any other third party.
